

As part of the *Footprints of Hope* project, you will have the opportunity to have a name engraved on a brick which will be set on a new path from the Whitefriars Gardens to the Garden of Hope.

Make your mark and remember your friends and loved ones. You can add your chosen name for just £30, or for two bricks for £50. People are currently limited to two bricks and to two lines of 16 characters (32 characters per brick). If you would like more than two bricks, please let us know and we will be in touch later in the year. Unfortunately it is not possible to ask for the bricks to be placed together.

Your brick will be laid into our special path of hope as a lasting legacy, and your donation will support current and future projects for many years to come.

I wish to make a donation for the Footprints of Hope:

- One brick - £30
- Two bricks - £50

I would like the following text to appear on my sponsored brick (32 characters only):

I am donating for two bricks and would like the second one to include the following text to appear on my sponsored brick (32 characters only):

I would like to be invited to the opening ceremony and have added an extra donation towards the event:

Footprints Donation
£
€

Please return the whole form and your donation to: Carmelite Friars, PO Box 289, FAVERSHAM, Kent, ME13 3BZ
